

# Player Guide: Gerald The Chicken

This is Gerald and his beloved wife Shirley and their newborn chick. They lived a peaceful and happy life. One day, Gerald was on a stroll on his own and got kidnapped by an evil farmer who has been kidnapping chickens from their home and taking them home to eat them. Luckily, Shirley and the chick were safe at home and were not kidnapped. Gerald is outraged that he has been kidnapped and refuses to be eaten!

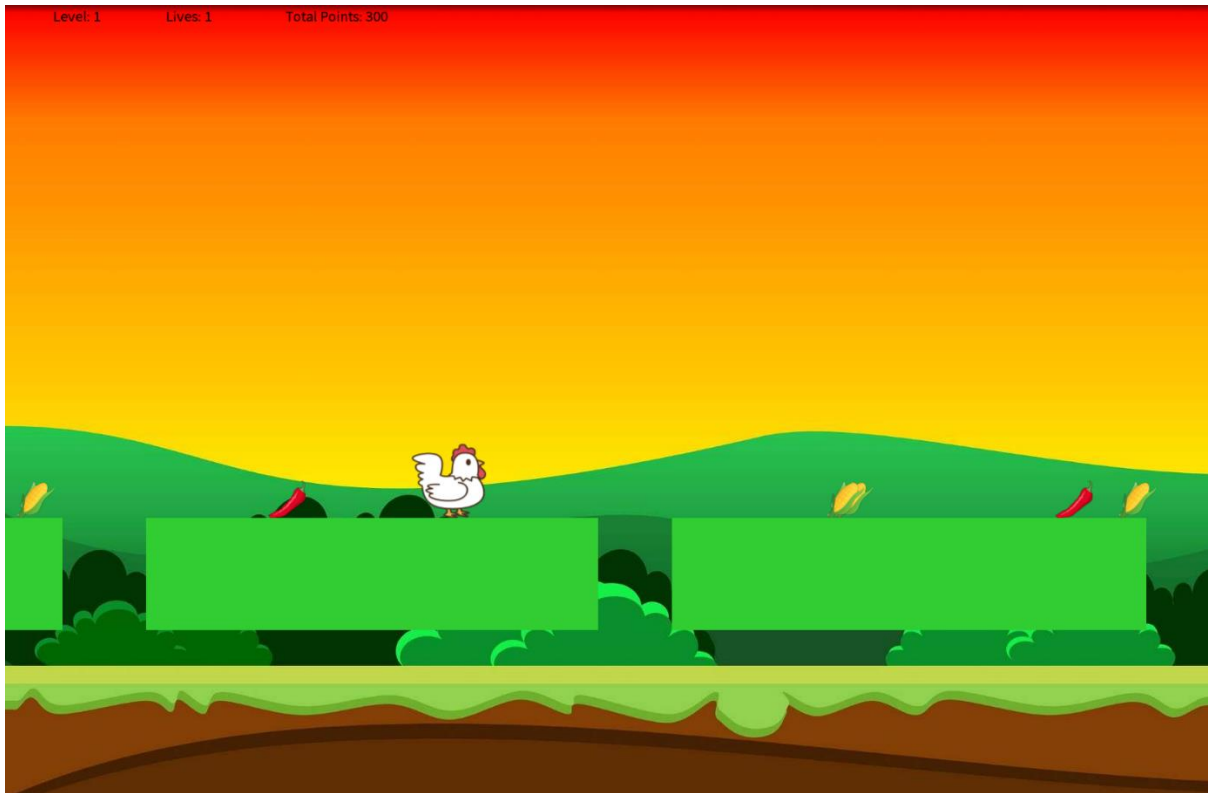

Gerald is a very smart chicken and he has hatched a plan for escape! It's a summer evening and Gerald has made his way out of the farmer's house and is on the run! He's got a head start but it won't be long until the farmer realises that he is missing. Gerald is a long way from home and he must make it past all the foxes and wolves who are trying to eat him. He misses his family and just wants to get home... Help Gerald get home to his family!

## Game Mechanics

## Items For Purchase

### Extra Life:

Cost: 200

An extra life can really help you out! The game ends if you run out of lives so make sure to stock up!

### Jetpack:

Cost: 400

Lasts for 5 seconds.

Press 'k' to activate jetpack.

Jetpacks allow you to escape enemies by flying over them! Once activated, they last for 5 seconds. If you have any remaining seconds, they do **not** carry on to the next level. You can activate your jetpack in any level at any time!

### Fireball Gun:

Cost: 750.

Ammo: 10 fireballs.

Fireball guns are Gerald's ultimate weapon! They last throughout all levels until you run out of fireballs! Press the LEFT and RIGHT arrow keys to shoot fireballs! Fireballs will destroy chillis and enemies!
